MEMORANDUM

TO: Village Administrator Ergo
FROM: Administrative Services Manager Spencer
DATE: October 13, 2020
SUBJECT: Village Administrator's Spending Authority

INTRODUCTION

The purpose of this memo is to open the discussion of spending authorities provided by the Village Board to the Village Administrator.

DISCUSSION

Section 30.105 through 30.112 outlines the various authorities which have been granted to the Village Administrator by the Village Board for the purposes of "proper administration of all affairs of the Village". Under "Powers and Duties", Section 30.110 (L), explains the oversight of all materials, supplies, and equipment provided for within the budget up to \$5,000. Specifically, "no purchase, acquisition, construction or other contract or any increase to an existing contract of any type shall be made in excess of \$5,000 except by approval of the Village Board." Staff has reviewed this \$5,000 limit and has found it to create an administrative burden that is time consuming and inefficient as compared to other communities.

Staff has inquired of communities similar to Itasca and have learned the spending authority limits as outlined:

	Manager/Administrator
<i>Itasca</i>	\$ 5,000
Bensenville	\$ 50,000
Hinsdale	\$ 20,000
Oakbrook Terrace	\$ 20,000
Elmhurst	\$ 20,000
LaGrange	\$ 10,000
Addison	\$ 15,000
Elk Grove Village	\$ 25,000
Schaumburg	\$ 50,000
Lemont	\$ 20,000
Palos Heights	\$ 5,000
River Forest	\$ 20,000

Roselle	\$	10,000
Willowbrook	\$	10,000
Countryside	\$	10,000

*The average Administrator authority listed is \$20,000.

FISCAL IMPACT

Changing the spending authority of the Village Administrator will not, in itself, have a fiscal impact on the Village as the procedure to have the Village Board approval on all invoices through the Record of Bills is not changing.

RECOMMENDATION

Staff recommends raising the spending limit of the Village Administrator to be in line with comparable municipalities, which have an average of \$20,000.
