RE: 2017 Tree Planting Program

We requested proposals for our 2017 Tree Planting Program from five qualified vendors. We have selected 80 locations for planting. Brancato Landscaping Inc. provided the low quote of \$21,640 or \$270 per tree.

I recommend accepting Brancato Landscape's low quote of \$21,640 for tree planting throughout the Village.

Attached please find a list of participating vendors with pricing.
