

Haymarket Center
COMPREHENSIVE BEHAVIORAL HEALTH SOLUTIONS
FOUNDED IN 1975 BY MSGR. IGNATIUS McDERMOTT AND DR. JAMES WEST

April 6, 2020

VIA E-MAIL TRANSMISSION ONLY

The Honorable Jeff Pruy
Mayor
Village of Itasca
550 W. Irving Park Road
Itasca, IL 60143-2018

Dear Mayor Pruy:

I thank you for your correspondence of April 6, 2020. Haymarket looks forward to continuation of the zoning process for our planned use of the former Holiday Inn. As you know, if we succeed, we will bring a number of new employment opportunities into the Village, while expanding access to behavioral health treatment to a population in need of our services.

Relative to your question considering logistical and tax issues, please be advised that while the zoning process continues, it is our intent to close the facility. However, we will ensure proper maintenance and security of the property. I believe this answers both of your questions.

During the current COVID pandemic, Haymarket's first concern is the safety and security of its current patient population. It also stands ready to assist, as it is able, other medical service providers who are facing this unprecedented crisis in care. We are proud to be a part of the DuPage County health care community and we are in active communication with our peers on the local and state level with the common purpose of saving lives and lifting the current burden on the medical community. In this regard, we hope that the Village will be a willing partner if the opportunity arises that it, too, can play a role in any of our future endeavors.

While I am sure your time, like mine, is at a premium, I would welcome the opportunity to meet with you personally to continue to work with the Village on any of its issues or concerns relative to our acquisition of the property.

Sincerely,

Dr. Dan Lustig Psy.D. CAADC MISA II
President & CEO
Haymarket Center
