USHER PARK CLOSED FOR CONSTRUCTION

Usher Park is closed for construction, but there are plenty of other great parks to enjoy this spring! Take a walk through Springbrook Nature Center (130 Forest Ave.), where you can explore scenic trails and catch a glimpse of local wildlife.

Need a spot for prom or graduation photos? There are lots of great options around town! Check out Springbrook Nature Center, the Historical Depot Museum (101 N Catalpa Ave.), or the arboretum behind Village Hall (550 W Irving Park Rd.) for a great backdrop.

More details on the reopening will be shared once construction is complete. In the meantime, we appreciate your patience as the improvements continue.
