FALL VILLAGE REMINDERS

As the seasons change, here are a few reminders to help keep your property and our neighborhood safe and accessible.

- Leaf Collection – Keep leaves off the street to prevent blocked storm drains and flooding. The street sweeper will skip areas with leaf piles in the road.
- Garbage & Recycling – Place containers at the curb after 4:00 p.m. on Sundays and return them by 10:00 p.m. on collection day.
- Seasonal Storage – Remove boats from driveways by October 1 and recreational vehicles by October 31.
- Yard Maintenance – Trim trees and bushes overhanging sidewalks to keep walkways safe and clear before winter.

ADA TRANSITION SURVEY

The Village of Itasca wants to hear from you! We are developing an Americans with Disabilities Act (ADA) Transition Plan to improve accessibility in programs, services, and public spaces.

We invite residents, caregivers, business owners, and visitors to share feedback to help identify and remove barriers. Your input will guide our efforts and make the community more accessible for everyone.
